II. TEACHING, LEARNING, AND EVALUATION

The institution initiates innovative methods of teaching, learning and evaluation system to make learning a process of construction of knowledge. The teaching and the non-teaching faculties are the backbone of the institution. Teachers of our institution do not simply deliver lectures on lessons but also they carve out the niche for themselves and continue to inspire and motivate the young minds. The primary aim of the college is to encourage students to develop a spirit of independent thinking and intensive and extensive reading and learning.

1. Staff strength

The total faculty strength of our institution during the academic year 2019-2020 was 200, which includes 120 Government Aided and 80 self-financing faculties. Among 200 staff members, 101 Aided and 29 Self-Financed staff are having Ph.D. degree. Among 80 Self-financed staff members 25 staff members are with NET / SET qualification and 23 staff members are with Ph.D. qualification.

2. Ph.D. Awardees

Even though the sacred duty of the college is to preserve the knowledge already acquired in the past, it exists chiefly to extend the boundaries of knowledge. Research work in every branch of learning is the sine qua non of a college. Our professors constantly engage themselves in research works and contribute something new and valuable to the society. Ten departments of our college offer full-time and part-time research programmes to scholars, faculty of our college and to the teachers of other institutions. Two of our faculty members were awarded the prestigious Doctoral Degree (Ph.D.) for their contribution to their respective chosen fields of knowledge in this academic year alone. The Ph.D. awardees are:
