Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	In the Autonomy stream of examination, we used to conduct two semesters in each academic year. There are two internal tests for each semester examinations. The first internal test was conducted after 40% of college working day is over. The second internal test was conducted after 90% of college working day is over. The semester examination was conducted after 100% of college working day is over. Discipline wise there are separate departments. A senior professor heads every department. The Head of the Department is monitoring the completion of the course syllabus by the concerned staff members. Every year, college is obtaining feedback from the students regarding the completion of syllabus and appropriate action is taken if needed; but so far, every staff member is doing their job sincerely. All the staff members were provided with the facilities needed for online classes which enabled them to cover all the portions properly within the scheduled time. Many seminars, workshops and hands-on trainings had already been conducted for the staff members and so most of them were well-known about the online mode of teaching and developing e-contents. This pack of well-trained staff members made the tough situation easier and 100% of the syllabi had been completed on time. Whatsapp group had been created for each class and the materials were posted through it. All the staff members including the head of the department were acted as Admins of each group and so the activities of the group had been monitored well. According to the instructions of Tamil Nadu State Government, Semester examinations were conducted through online mode in the month of December 2020 for odd semester and June 2021 for even semester.		
3. The period of delay in completion of syllabus (in months).	1
