The program was formally inaugurated by Captain. Dr. P. Sundara pandian, Principal of our College. The principal pointed out the importance of enhancing the employability skills among students and also thanked the Ma Foi Foundation for their effort to create awareness among the students through their effective training team. Mr.K. Pandia Rajan, Project Manager for the “**Kanavu Meippada**” scheme of Mao Foi Foundation introduced the scheme and the trainers to the students. Mr. Krishnan Subramanian and Mr. Shankar served as trainers. They explained to the students about the soft- skills needed for the students who are seeking good job in the present scenario. Both of them urged the students to

- Include the most relevant information in their Resume
- Explain the behavioral traits required to clear an Interview
- Prepare their own comprehensive answers to the most common interview questions

The highlight of the program was the interaction of the Founder and Trustee of Mao Foi Foundation Mr. K. Pandiarajan, B.E., M.B.A., (XLRI), the Sitting MLA of Virudhunagar and leading Human Resource Development trainer with the students. All of his four sessions were so lively. He explained the need of “KASH” and not “CASH” to win the job market. Each and every individual has to match his KASH with the KASH of the organization where he / she searches for a job. The KASH means,

K -Knowledge

A -Attitude

S -Skill

H -Habit

He also issued a training manual to all the students to evaluate the KASH available with them. Nearly 1000 students benefited out of the program. Dr. P. Sami, Dean – Student services organized this programme and executed it with the whole hearted support of the Management, Principal, Director of Self-Financing Courses, Staff and Students.
