A Report of the English Language Lab 2013-2014

Communication skill has become extremely important and necessary for anyone to be successful in any profession. If anyone intends to proceed his/her career anywhere in the world, Language Lab plays a vital role in their blockbuster. Thus learning English language has become a requisite for any students here.

The language lab helps students to develop communication skill so that one will be able to listen and understand the meaning and to express with right words and right pronunciation. The student whoever uses the language lab can be proficient in communication.

CLARITY S.NET (1+30 USERS) , a software has been installed to bring out the students' communication skills.

Digital Multimedia Control, headsets, phones, etc., play an important role making the students acquire English communication skill effectively. The electronic devices are the best stimulations for the eyes and ears of the students to make the learning process quicker and easier.

During the academic year, 2013-2014, this English Language Lab has been beneficial to **246** numbers of students from various departments in bringing their ability in the acquisition of English communication skills.

S.N	Class	Year	Strength
1	MCA	II	19
2	MCA	III	25
3	MBA	I	26
4	MBA	II	32
5	M.COM (CA)	II	28
6	M.A (ENG)	II	40
7	Short Term course (Eng & IT)		25
8	B.Ed		31
9	B.A (ENG)	I	20
			246

The English Language lab holds the key to develop their listening, speaking, reading and writing skills. They are able to compare and evaluate repeated passage with original. The students are trained by frequent assignments and practices.

The English Language Lab is a technological break for imparting skills in English. The English Language lab is an audio-visual installation used as an aid in modern language teaching.
